"These new flight's really open up additional opportunities for our traveler's, in addition easy access for Californians to witness the beauty of Montana," said Cris Jensen, airport director Missoula International Airport. "Alaska Airlines in March will provide service to six destinations—Seattle, Portland, Los Angeles, San Diego, San Francisco and San Jose. We are thankful for the airline's commitment to our community and appreciate the investment they are willing to make during these challenging times."

"Alaska is thrilled to provide new service to Missoula so our guests can enjoy all the incredible possibilities across western Montana," said Brett Catlin, managing director of capacity planning and alliances. "Linking Missoula to San Francisco, San Jose and San Diego – all important hubs or focus cities for us – creates easier options for connecting throughout the West Coast and beyond, especially as we're starting to see greater increases in leisure travel."

Missoula International Airport is self-supported; no local tax revenues are used for the administration, promotion, operation, or maintenance of the airport. Currently six airlines have operations at Missoula International Airport: Alaska, Allegiant, American, Delta, Frontier and United. Effective March 18, 2021 Missoula will have nonstop flights to fifteen destinations: Atlanta*, Chicago*, Dallas, Denver, Las Vegas, Los Angeles, Minneapolis, Oakland*, Phoenix-Mesa, Portland, Salt Lake City, San Diego, San Francisco, San Jose and Seattle. (*seasonal) For more information on flights into and out of Missoula, as well as information about our upcoming new terminal facility, visit the Airport website at www.flymissoula.com, or you can follow us on Facebook and Twitter.
