LEVEL 1

INFORMATION

All departing passengers and airport visitors start their journey at MSO through the main entrance. The new, expansive lobby creates a warm welcome for both travelers and meeters/greeters entering the building.

The only operating escalator in Western Montana transports everyone to the second level to continue through security or to meet arriving passengers.

Baggage claim is also located on Level 1, a prime location to reach travelers with dwell time as they await luggage.

LEVEL 2

INFORMATION

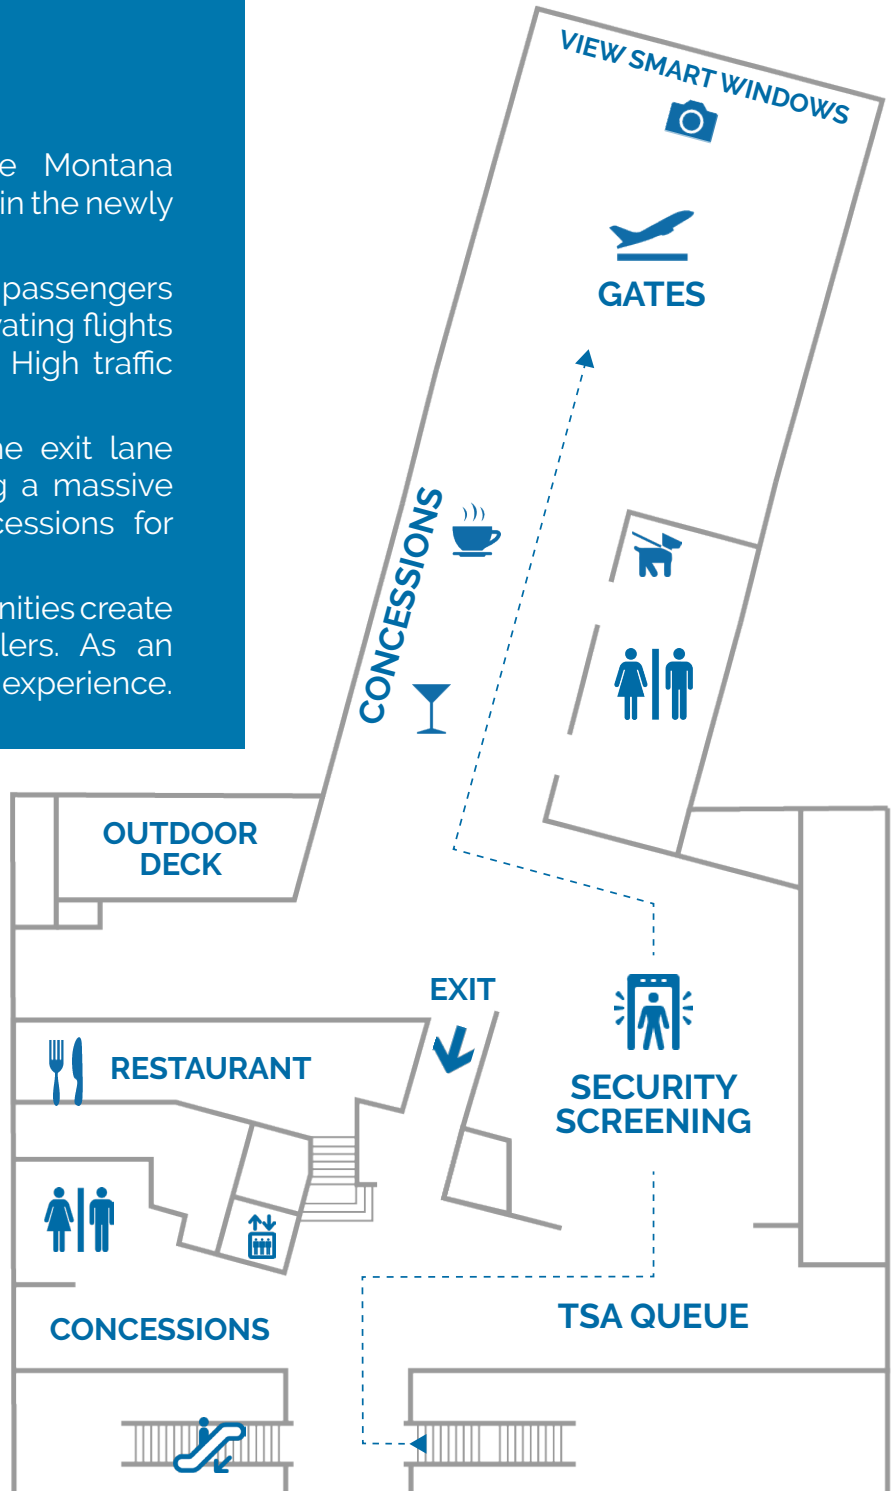

With vast window views of the Montana landscape, your message will shine in the newly constructed concourse.

Once through security, departing passengers spend an average of 90 minutes awaiting flights and congregate in the gate areas. High traffic areas surround the concessions.

Arriving travelers pass through the exit lane to a large reception area featuring a massive video wall and pre-security concessions for meeters/greeters.

Local art displays and premium amenities create a first-class experience for travelers. As an advertiser, you can be a part of this experience.
